SIR,

In forwarding herewith a copy of letter No.R.O.C.32-19/J.dated 12/15th September 1919 from the District Magistrate, Hassan,together with its enclosure in original, I have the honor to state that the transmission of prisoners from that District to the Central Jail at Bangalore began in 1905 under the authority of G.O.No.J.387-97/Pris.5-2 dated the 5th August 1905.

2. The chief object in ordering the transmission of prisoners from that district to the Bangalore Central Jail instead of Mysore Jail was to curtail heavy expenditure incurred on account of moving prisoners by roads owing to the absence of railway communication betwe n that District and Mysore. This difficulty has now been overcome as there is railway communication between Hassan and Mysore.

3. Under the circumstances,I request that Government may be pleased to pass early or ers directing the revival of the old practice of transmitting prisoners of the Hassan District under sentence of more than one month, to the Mysore Jail.

I have the honour to be,
Sir,

Letter No. Roc.32-19/J dated 12/15th September 1919, from the District Magistrate,Hassan, to the Inspector-General of Prisons in Mysore.

In forwarding herewith in original yadi No. 405 dated 14th June 1919 in the matter of sending prisoners hereafter to the Central Jail at Mysore instead of to the Central Jail at Bangalore, I have the honor to state that prisoners sentenced to more than one month's imprisonment are now being sent under section 2 (1) (B) of the Mysore Lock-up to the Central Jail at Bangalore. As the Mysore Arsikere line has been opened, and as it is cheaper and more convenient as explained by the District Lock-up officer in his yadi referred to above to send prisoners to the Central Jail at 'ysore, I request that sanction may be obtained to send prisoners hereafter to the 'ysore Central Jail.
